LINCOLN ESSAYS

## Bodien Presents Plaques To High, Grammar Winners

Climaxing the public schools' observance of Lincoln's birthday was an announcement of the winners in the annual essay contests.

"No finer example of patriotism can be found than Abraham Lincoln, who lived and died for our country, made our nation a United land of the free, increased our power and added to America's glory," concludes Georgette Braunagel who won first place in the Jefferson Union high school contest, with her essay entitled "Lincoln, an Interpretation."

Second place went to Robert Grimes, while Eldred Hahn and Harvey Melicker both received honorable mention. Approximately a hundred students participated; essays were judged by a group of faculty members.

Georgette's name will be added to the list of names on the Lincoln plaque, presented to the high school ten years ago by Arthur Bodien, superintendent of the Daly City Water department and enthusiastic admirer of Lincoln.

In the grammar schools of the Jefferson district, Jefferson school walked off with the honors. First, second and third places went to Jefferson pupils, Eleanor Saliou, Verna Moresco, both eighth grade, and Inez Chelone, seventh grade.

Bodien, who presented the district with a beautiful bronze Lincoln plaque, ten years ago, made the announcement of the winners and presented the plaque to Eleanor, Wednesday, at Jefferson school. Eleanor's essay dealth with Lincoln's character traits. She described him as a leader who was determined to seek liberty, happiness and equal rights for every American."

Judging committee for the grammar school essays included: Mrs. Naomi Murphy, American Legion auxiliary; Mrs. Grace Hill, Woodrow Wilson P. T. A.; Mrs. Florence Thorsen, Crocker P. T. A.; Mrs. Ilda Marquis, General Pershing PTA.

### VFW Auxiliary Contest To Close February 22

Local interest in the annual national essay contest, sponsored by the Ladies' Auxiliary to the Veterans of Foreign Wars of the U. S. grew this week as more than thirty high school students prepared final drafts of their compositions for submission, February 22. "One Nation Indivisable" is the subject this year.

Mrs. Allene Lehigh is contest chairman for the local auxiliary, Old Glory auxiliary No. 2044, VFW; the Daly City Record is co-sponsor.

Although only one essay will be sent from the Daly City elimination contest to the State division, the local auxiliary plans to honor the several Jefferson Union high school students whose essays take high places here.

### "Meanest" Gang

**Raising a vegetable garden is a lot of hard work, but Boy Scout Troop No. 141 felt rewarded when they saw the strong green stalks come pushing through the soil. Produce from their little plot in Bodien park would help pay their way to summer camp this year.**

**But now plans for summer camp are in danger—and the little garden in Bodien park is a devastated ruin.**

**Voted as the "meanest gang in town," some unthinking boys entered the park on Sunday, stole the vegetables, slashed the stalks and left only wreckage behind.**

**Scouts didn't have much to say about it when they viewed the havoc. But from the look on their faces, grown-ups could guess at the tragedy.**

### Bowling Tournament Gains In Popularity

With more teams and individuals signing up every day, the Daly City bowling tournament, sponsored by the Daly City Record, will soon be underway. Entries will close, February 23, and bowling will start shortly after that date.

Everyone is welcome to enter the tournament. Matches will be played entirely by five-man teams, but individuals who wish to bowl may enter and will be assigned to a team. The Record will present trophies for individual high scores as well as for winning teams.

### Library Records Show Circulation On Increase

Sixteen thousand books is a lot of books—yet this figure represents the increased circulation of the Daly City library in the last three years.

During 1937-38, Mrs. Jean O'Rourk, librarian, and her assistant, Miss Mary Lewis, checked out 32,349 books to library patrons. Ten thousand more, 43,275, were loaned during 1938-39. And in 1939-40, the circulation leaped to 48,784.

Councilman Henry Sundermann, chairman of the library committee, reported at the last council meeting that circulation figures for this year were showing similar marked increases, with the January circulation, 4739 books, climbing to a thousand more books than were checked out in November, 3771.

"This is an encouraging sign," Councilman Sundermann said, "of the growth and progress of Daly City. We hope to serve more and more people during 1941."

## Warning To Ghosts: Vacant Houses Are Becoming Extinct In This Vicinity

What will become of our ghosts?

There are no vacant houses to haunt in Daly City any more.

U. S. housing figures released today show that a vacant house in Daly City is rapidly becoming as extinct as the seven-toed amphibian.

Only 84 homes out of 3099 here are empty—an average of only 3.1 per cent as compared to a State average of 6.4.

We'll never be a ghost town at this rate!

Daly City's figures were the lowest in San Mateo county, which has a general average of 5 per cent of homes vacant; San Francisco's percentage of vacancies is 6.9.

Any family man or builder here might have guessed such a situation in this thriving community, where looking for a place to live is like playing a game of musical chairs.

"Watch Daly City Grow!" Local building permits, United States department of commerce figures, tax returns—all sing the same merry tune—Daly City is on its way to the top.

The ghosts will have to move some place else.

### Council Authorizes Purchase Of Pump

At an adjourned meeting Monday evening, Daly City council authorized the purchase and installation of a new booster pump for the Daly City water department, in accordance with recommendations of Arthur J. Bodien, water superintendent.

The new pump is identical to one that has been in use here for the past four and one-half years, Bodien said. The new apparatus will be installed at the pump house on Citrus avenue; cost of the improvement will be approximately $1500.

## Band To Present Second Free Municipal Concert Next Friday Evening

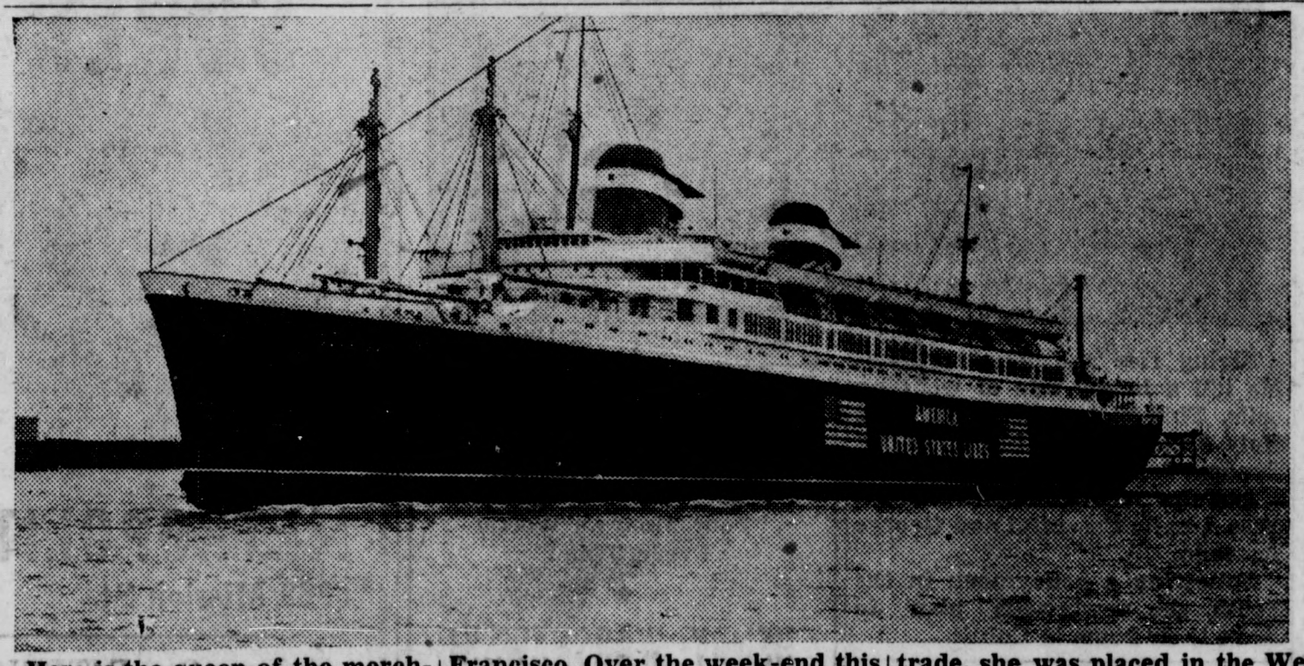
When Conductor George E. Brenner lifts his baton at 8 p. m., just one week from Friday evening, the second of a series of free municipal concerts will be presented by the Daly City Band.

Co-sponsoring the musical event, to be staged at Jefferson Union high school auditorium, is the local WPA Recreation department.

Featured soloists will include Tom Beeson jr. playing his cornet, and Miss Josephine Puricelli, vocalist.

The concert will mark the second major appearance of the band in 1941. Applauded on New Year's day in San Francisco's Kezar stadium, the local musicians welcome the opportunity to play in their own home town.

"Everyone is invited to this concert," Recreation Director Bruce H. Boynton said today. "Watch next week's Daly City Record for a complete announcement of the program."



**Here is the queen of the merchant marine, the 35,440-ton United States luxury liner AMERICA. She slid through the Golden Gate, Friday, on her first visit to San Francisco. Over the week-end this beautiful ship, largest vessel ever built in the Western Hemisphere, drew thousands to the waterfront. Intended for the North Atlantic trade, she was placed in the West Indies service following passage of the neutrality act and sailed on her first voyage August 10, 1940. She cost $17,500,000.**

# Ruth Chatterton To Play Lead In "Pygmalion"

Ruth Chatterton, famed stage and motion picture star, is returning to San Francisco after an absence of many years to play the leading role in George Bernard Shaw's brilliant comedy, "Pygmalion," opening at the Curran theatre, Monday evening. February 24, for a run of two weeks.

Miss Chatterton will appear as Eliza Doolittle, the charming little Cockney flower girl who plies her trade under the arch of Covent garden in pre-bombed London. The plot relates how Eliza is turned into a grand lady by Professor Henry Higgins, who is an expert on phonetics. The professor succeeds so well in teaching Eliza proper speech and deportment that he is able to pass her off as a duchess at a reception given in Buckingham Palace. The one hitch in the situation is that the flower girl falls in love with the Professor and complications ensue.

The production was staged by Auriol Lee, noted woman director of the New York and London theatre. Miss Chatterton's supporting cast is headed by Barry Thomson and Dennis Hoey.

A quarterly drill will be held some time this month, according to Battalion Chief E. Kennedy; the exact date will be announced later.

A motion to join the San Mateo County Firemen association was carried unanimously.

Officers will soon be elected in a newly-organized ladies auxiliary for Company No. 2, Captain Gus Ford reported.

Treasurer H. W. A. Rickman's books were audited and approved.

Assistant Chief Fritz Hanson, engineer of Co. No. 2, reported truck and equipment in good condition.

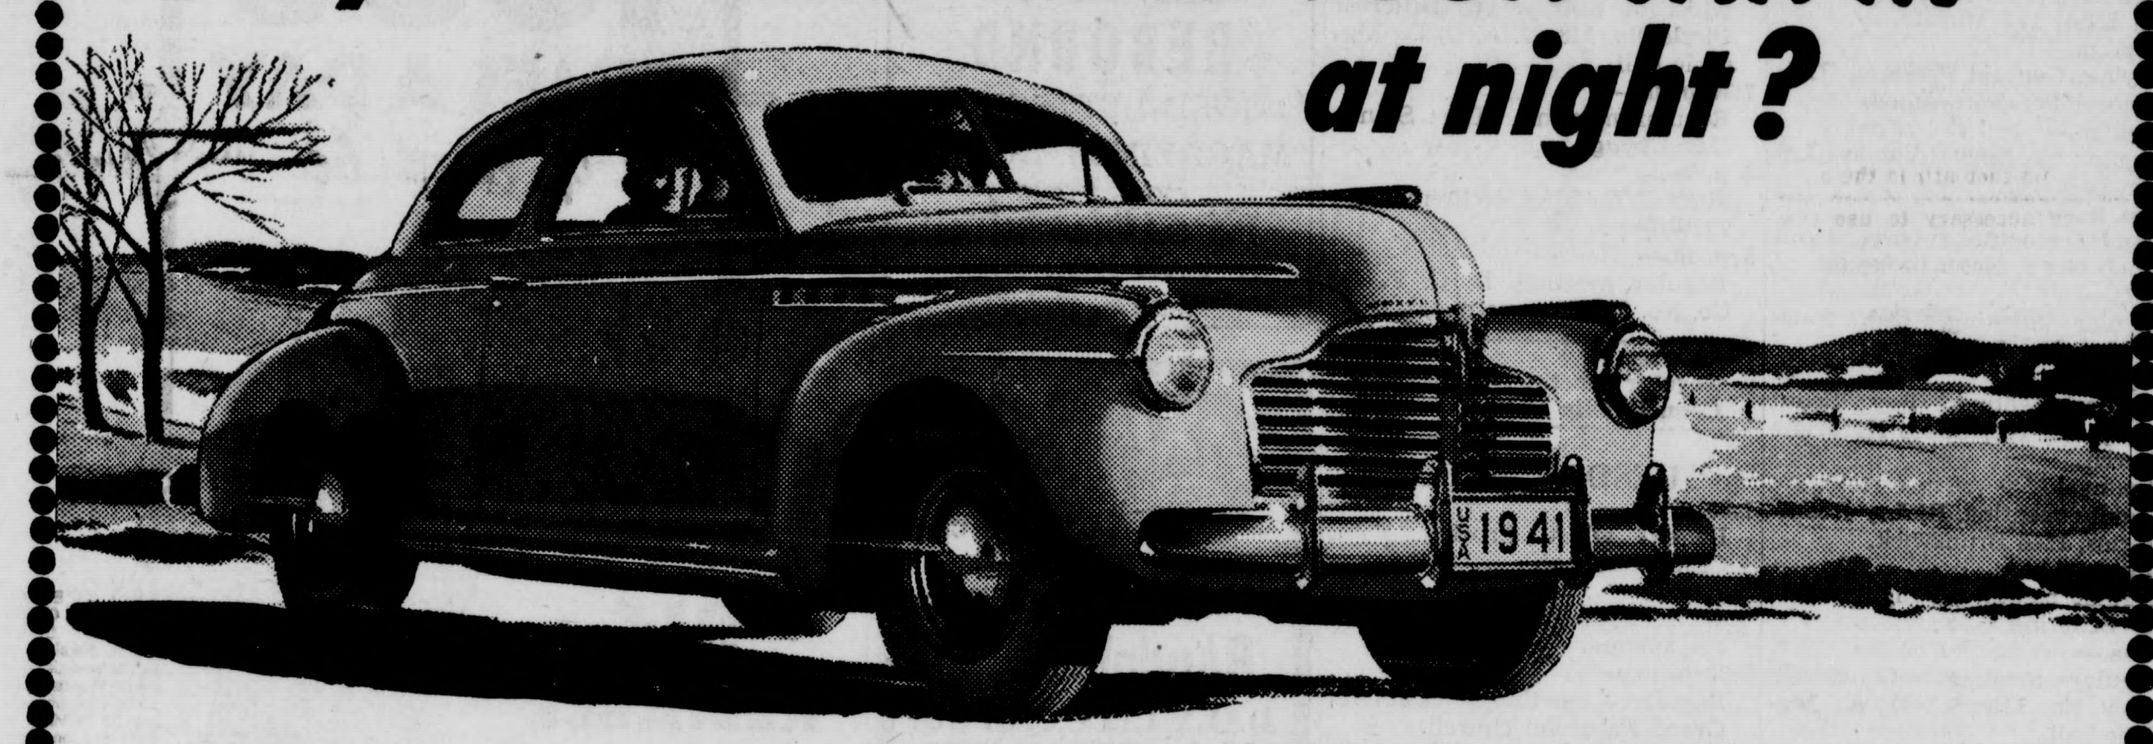
# Do you have to "TUCK YOUR CAR IN" at night?



***Not if it's One of these Four New Additions to the Buick SPECIAL Line that Compact Automobile Bigness into Fewer Bumper-to-Bumper Inches***

HERE of late the modern automobile has been giving a pretty good imitation of a man getting up in the morning.

It has stretched and s-t-r-e-t-c-h-e-d—until today you almost have to have a shoehorn to get a car of any size tucked away in the family garage.

We thought something ought to be done about that.

So today in Buick dealers' showrooms you'll see four new models, additions to the 1941 Buick SPECIAL line.

They are typical Buicks on every count—trigger-quick, steady, tireless travelers with a big 115-hp. Buick FIREBALL straight-eight under their bonnets.

They dress every mile you travel in trim Buick style—cradle every yard of distance on soft all-coil springing. They top off every trip with an even greater measure of gasoline economy, thread traffic with a new nimbleness, and when it comes to parking find the proverbial dime roomy as a dance floor.

But by the simple step of compacting all this ability, goodness and value on a 118-inch wheelbase, we've trimmed inches off the over-all length—and dollars off the cost.

We're passing those dollar savings on to you, which makes three reasons for going to see these honeys now: *You'll* go for their ability—your *wife* will go for trim size and easy handling—and *both* will stand up and cheer for the easily-reachable price.

**BUICK PRICES BEGIN AT $915 for the Business Coupe**

If a "job-o-meter" attached to your water heater recorded the times hot water worked for you during a month, you'd be amazed at the result. Because a water heater leads a busy life in the modern home. ★ Think of the big jobs that hot water makes easier. Washing dishes, pots and pans; speeding up washday by making soap work faster; bathing in tub or shower and scrubbing floors and woodwork are just a few. Then there are the host of little services that are big in convenience at the moment. The quick rinse-outs of hosiery and silken dainties; cleaning up kitchen sink, the wash basins, the tubs, the range and refrigerator are some of these daily demands. ★ Old water heaters just cannot stand up and deliver under this pace of service. They slow down and use more gas just as old automobiles slow down and use more fuel. That's why it pays to trade in an old costly-to-operate water heater. ★ This is the month to Trade in Your Old Water Heater. Right now, for a short time only, your present water heater has a $10 trade-in value on a new Automatic. Easy terms of a few dollars a month will soon pay for it. Don't delay—buy now.

## RINK PLANS SPECTACULAR ICE SKATING SHOW

The most spectacular amateur ice skating show ever planned in the West will be held at Winterland Monday, March 3, and Wednesday, March 5. Both figure skating and speed skating will be on the program in a series of competitions and exhibitions featuring champions and experts.

The event will be the first annual Silver Skates championships for Northern California. Breath-taking, dare-devil thrills of racing on ice will be presented by the speedsters, while beauty and grace will be exemplified by the figure skaters.

There will be sixteen races held over the two-day period, with handsome trophies and medals for those who place first, second and third in the various events.

Spectator tickets are now available at the Winterland box office. Due to limited seating capacity, ordered because of need of all available ice space in the races, early reservations are recommended.

## DESERVE IT! SERVE IT! PRESERVE IT!

The period between Lincoln's birthday and Washington's birthday has been designated as "Americanism Week" throughout the Nation.

In the Bay area the celebrations were highlighted by a contest to choose the best Americanism slogan. The winning line was "Democracy! Deserve It! Serve It! Preserve It!"

There's no denying that it's a "catchy" line. We hope it is more than that. We hope that all Americans will deserve it; otherwise, there is no hope that they can serve it intelligently, nor preserve it. Deserving democracy is a big order too—we have to know what it is, why it is better for us. We hope to be as courageous in defending it in everyday living as we would be in case of outside challenge.

## REMOVE THE CAPITAL "Y"

A job a day! That is the record made by the "18-to-30" association in placing qualified young people. This employment-finding cooperative group has headquarters in San Francisco.

What we like especially about the report of this group is the obvious enterprise and initiative shown. We are a little tired of Youth with a capital "Y." Youth are just people with problems and bear the same responsibility as men and women everywhere to solve them.

We do not feel that the problems of unemployment and maladjustment among youth can be solved best by drawing a circle around young adults. This so often prolongs adolescence and leads to evasion of getting down to brass tacks.

Despite the world chaos, young people should be our most courageous and energetic group. We think they can be if they are not diverted from the necessity of "growing up."

### STUDENTS HEAR TALK ON MARY TODD'S INFLUENCE

"Abraham Lincoln's Valentine," a critical study of Mary Todd and her influence on Lincoln, was the main topic of discussion by Louis A. Warren, director of the Lincoln National Life Foundation at Fort Wayne, Indiana, when he spoke to the students of Jefferson Union high school, Friday afternoon.

Warren debunked the fictional accounts of Anne Rutledge, and told many interesting episodes regarding the Lincoln's. He also brought out the fact that Mary Todd was a well educated and wealthy person, and through her influence transformed the simple, homely, 6 foot 4 inch Abe into a gentle well-mannered, soft spoken leader.

**Turkish Messengers**

**The ancient Turkish nobles employed many lackeys and footmen, called peichs, as messengers. These couriers ran in their bare feet until continuous exercise of this sort over all types of roads so deadened and calloused their feet that they were able to shoe themselves with horseshoes. To increase the resemblance between themselves and horses they carried a silver bit in their mouths while on errands for their masters.**

# Sequoia Defeats Jeff's Basketeers

Jefferson engaged in a battle, Friday evening, with the Sequoia basketeers. Working hard and presenting the fans with a thriller all the way from start to finish, the boys weren't quite able to capture the leading scores.

Although the Jeff ball-throwers started out in the league with a bad beginning, they have been continually getting better. There is one more game left in the season before the league closes. The boys probably won't place in first or second place, but next year will find them better, in both team work and floor work.

**VARSITY**

Jeff's huskies received a licking from the Sequoia squad to the tune of 20-35.

Leading the scoring for the boys was Razzari with a total of eight points. Coming in for close second was Briseno with four points to his credit.

Lineup for the varsity was as follows:

| | fg | ft | tp |
|---|---|---|---|
| F. (John) Razzari | 8 | 0 | 8 |
| F. Briseno | 4 | 0 | 4 |
| C. Rupert | 2 | 0 | 2 |
| G. Faulk | 2 | 0 | 2 |
| G. Cacci | 2 | 0 | 2 |
| Steele | 0 | 0 | 0 |
| Sparks | 0 | 0 | 0 |
| Capps | 0 | 0 | 0 |
| Dyer | 0 | 0 | 0 |
| Poddig | 2 | 0 | 2 |
| Total | 20 | 0 | 20 |

**130's**

Losing by only three points, the 130's showed a definite improvement and at the end of the playing time the score stood at 13-16.

Playing high score for the little-men was Charles Razzari with a total of eight points.

Those who saw action were: F. (Chas.) Razzari, F. George, C. Domecus, G. Huerta, G. Callan, McHugh, Parker.

Jefferson's last game of the season will be played Friday on their own home courts against the Palo Alto cagers.

## Mrs. Donna Panella Supervises Program

From 545 Winchester street these days floats the tantalizing fragrance of home-made apple pies. The busy stir within denotes that something unusual is afoot, and it's not hard to guess that another business has been launched in Daly City.

The town's newest enterprise is a program to aid handicapped women, set up under the auspices of the Rehabilitation division of the State Board of Vocational Education. In charge is Mrs. Donna Panella, 545 Winchester.

Using her home as a base of operations, Mrs. Panella turns out scores of "Maid-At-Home" pies each week, using the assistance of the women she is training in the program.

**African Military Training**

**Although Tanganyika is not supposed to train natives for military purposes, the government has decided to form a police reserve composed of Askaris and any other Africans who wish to join. In time of emergency they will be incorporated in the regular police force.**

# "Texas Rangers Ride Again" In Film Opening At D. C. Theatre Tomorrow

**The injured young lady in John Howard's strong arms is Ellen Drew. Ranger Howard looks as though his determination to round up a band of cattle thieves is redoubled, in this scene from Paramount's new Western, "Texas Rangers Ride Again," which opens tomorrow at the Daly City theatre.**

From suave, gentleman sleuth as "Bulldog Drummond," to two-fisted, hard-riding G.Man of the range, is the change John Howard makes when he appears as a Texas Ranger in the Paramount romantic action-drama, "Texas Rangers Ride Again," which opens tomorrow at the Daly City theatre.

Although the handsome young actor has played a number of widely differing roles in the past, this is the first time he has been cast in a Western drama. While the picture itself is a fast-paced action story, nevertheless Paramount felt the leading masculine romantic role required a good deal more acting ability than the usual Western players could bring to it, and so they chose Howard. His acting skill, they felt, could measure up to the talents of others in the specially-selected cast, such as Ellen Drew, Akim Tamiroff, Broderick Crawford, May Robson and Charley Grapewin.

As one of the new, modern Texas Rangers, who use patrol cars as well as pintos and short-wave sets as well as six-shooters, Howard and Broderick Crawford are entrusted the job of solving the mystery of how cattle vanish from the ranch owned by May Robson and her granddaughter, Ellen Drew.

Companion feature on the new bill will be "East of the River" with John Garfield, Brenda Marshall and Marjorie Rambeau.

**'In France's Fields'**

Every American is familiar with John McCrae's World war poem "In Flanders' Fields"; but not many know that he himself was killed in 1918 and was buried in a quiet little war cemetery at Wimereux, France, where hundreds visit his grave every year.

**Religious Painter**

Luis de Morales, the famous Spanish painter, was called El Divino because of his emotional religious paintings. His favorite subjects, Ecce Homo, Pieta, Christ at the Column and Mater Dolorosa, were repeated many times and often copied.

DE SOTO NEWS

# Donahue Describes Improved System

An improved comfort system, which enables an automobile even with all windows closed, to "breathe in" a constant supply of fresh, outside air—cleaning it, heating it to exact temperature decreed by the driver and distributing it to all parts of the car's interior—has been designed for the 1941 De Soto, announces James E. Donahue, Daly City De Soto-Plymouth dealer.

"Known as the 'all-weather aircontrol'," says Donahue, "the system centers around the cowl ventilator which, when open, is the entrance through which fresh outside air is drawn into the car. After passing through a filter, which removes dust, soot and dirt and has a thorough cleansing effect, the air enters two large-capacity heating units, which warm it to the point specified by the driver. The heater units are located up under the instrument panel, well out of the way.

"Not only is stale air, which causes many accidents by making drivers drowsy and unresponsive, quickly carried away," Donahue went on to say, "but good driving visibility is maintained through elimination of window and windshield steaming and fogging. Air entering the car is dry. This fact, in addition to the high circulation rate within the car, removes the breath moisture that otherwise would condense on the glass and in cold weather freeze over."

**Early Soil Conservation**

**One of the earliest suggestions of soil conservation in Massachusetts was an act of the general court in 1739, forbidding farmers to turn their live stock loose to feed on the meadows between Truro and Provincetown. Horses and cattle had eaten so much of the beach grass that the sand dunes were heading toward the meadow land.**

## At Jefferson School

**EIGHTH GRADE**

Eighth grade students recently elected their class officers for Spring semester. They are: president, Helen Capps; secretary, Barbara Fellman; treasurer, Verna Moresco. Glee club officers are: president, Verna Moresco; vice-president, Anna Domecus and secretary, Helen Capps.

**FEBRUARY 12**

Last Wednesday the eighth graders held a short program commemorating Abraham Lincoln's birthday. Features on the program were reading of the Gettysburg Address; three minute talks on the Life of Abraham Lincoln given by Patsy Hatfield, Colleta Molloy, Barbara Blecher and Torquato Cocci; and the reading of Helen Capps' Lincoln essay, which she recently submitted in a contest.

**VALENTINE DAY PARTY**

A huge cake, beautifully decorated in the Valentine motif, was the special feature at the eighth grade's Valentine luncheon, Friday. The desks were all decked out with little doilies and red hearts.

Don Bortis and his accordion opened the festivities with several musical numbers and Verna Moresco honored the class with a few popular selections on the piano.

While valentines were being distributed, the class enjoyed refreshments, arranged by the committee, Helen Capps and Don Bortis.

**SEVENTH GRADE**

The P. G. & E. acted as host last week to the students of the seventh and eighth grades. An outstanding sound, colored film, "The Port of Many Harvests" was shown.

**SIXTH GRADE**

Thursday, the sixth grade listened to a broadcast of Stephen Foster's music. The program consisted of two groups of the composer's works: minstrel type compositions, and songs which resulted from his daily living experiences.

The children also learned about Stephen Foster's livelihood, his relationship to music, and the people who inspired his compositions.

## At Woodrow Wilson Elementary School

**ROOM FIVE**

The pupils of Room 5 are quite interested in their new unit of work on "National and State Parks." They are planning to discuss at length their many beautiful scenic wonders, and animal and plant life.

Kathryn Brooks, Doris Hahn, Bert Berg, George Fair and Jack Palm have supplied some good visual material.

**SEVENTH and EIGHTH GRADE**

"Ports of Many Harvests" was the excellent film shown to the seventh and eighth grade pupils last week. The film acquainted the pupils with the new port at Stockton and the vast agricultural and mineral wealth of the San Joaquin Valley.

**LINCOLN DAY PROGRAM**

Every class room in the Woodrow Wilson elementary school held individual Lincoln Day programs. A replica of Lincoln's famous "Log Cabin" was passed around the school. Material received directly from the state of Illinois was also shown the students.

**FIFTH GRADE**

A program was given in the fifth grade in commemoration of Lincoln's birthday.

Robert Lazzerini explained and read the "Gettysburg Address." Oscar Guisti told about Lincoln's childhood days, and Rena Feutier gave a talk on the great things that Lincoln has done for our country. After the program, there was a class discussion about Lincoln's character.

**SECOND AND LOW THIRD**

In preparation for their use of the library in their work in the upper grades, the second and low third grades have chosen "The Library" as their next social studies unit.

Plans have been made to have a small library in their own room, so the children can learn the proper action and manners for library patrons.

**KINDERGARTEN**

Friday, the boys and girls in Jefferson kindergarten held their valentine party. All of the little candy cups, paper doilies and place cards were made by the children.

## Plan Dance For Friday Evening At Gen. Pershing

Another free dance will be conducted for Daly City youngsters at General Pershing school under the auspices of WPA Recreation department, Friday evening.

The two former dances have been most successful, according to school and parent-teacher officials. Strictly supervised, the parties last from 7 to 10 p. m., and give the younger set a chance to learn the graces of social life.

Both old-fashioned and modern dancing is featured. Every child in Daly City is welcome at the party.

## At Crocker School

**SCHOOL PAPER**

The Crocker school students have begun work on their yearly magazine, "The Scoop," with Lois Rich as editor-in-chief.

Competition is keen in the high seventh and low eighth grades between the boys and girls to see who can sell the most magazines. It is expected that the magazine will be ready for circulation by the middle of May.

**HIGH EIGHTH**

Last Monday, the students of the High eighth grade debated the question "Who Made the Better President—George Washington or Abraham Lincoln?"

Barbara Gregor acted as chairman of the debate and three students were chosen to represent each side.

After the debate interesting reports were given by Lorraine Hill and Beverly Ainsworth on the life of Abraham Lincoln.

## Birthdays of the Week

**Yesterday marked the birthdays of two well-known Americans. Wendell L. Willkie celebrated his forty-ninth birthday on this day, and the popular band leader Wayne King observed his fortieth birthday.**

## Pershing PTA Sewing Group Proves Popular

So many General Pershing PTA members turned out to organize a sewing club last Thursday afternoon that the meeting will be made a weekly affair, Mrs. Virginia Davidson, president, announced today.

Every member of General Pershing is cordially invited to join the group, which meets at 1:30 p. m. each Thursday at the school. Small children will be cared for by a leader from the WPA Recreation department.

Planning to attend Friday's seventeenth district meeting in South San Francisco are Mrs. Davidson, president; Mrs. Anna Eason, Founders day chairman; Mrs. Mildred Rasor, recording secretary, and Mrs. Ilda C. Marquis, parliamentarian.

## Ten Jefferson Students Will Be "On The Air"

Five girls and five boys were chosen, Thursday, to represent Jefferson Union high school on the radio program, "Live and Let Live," March 1. The event is sponsored by the State Department of Motor Vehicles over KFRC.

The program will be broadcast from the Telenews theatre, 930 Market street, between 11 and 11:30 a. m. The questions comprising the quiz are all taken from the summary of the Vehicle Code.

Elimination of local contenders has been going on for the past three weeks. On January 30 every student in the school was given a simple examination on traffic laws. Those with the highest average were chosen to compete with each other in quiz programs held in assemblies.

Out of approximately 650 students, the ten chosen to represent Jefferson were: Team A—Thelma Silvera, Bud Fellows, Isabelle Smith, Kenneth Fellows, and Marian Nelson. Team B—Don Thomason, Elizabeth Blassman, Bob Grimes, Ruthetta Lampa and Lawrence Christensen.

Smartly dressed in their navy blue uniforms, Sea Scouts of Ship No. 1 stood at attention last Wednesday evening for their annual inspection by Sea Scout officials, Dr. M. R. Gibbons jr., council commodore, and Charles W. Eberling, Sea Scout Skipper for Ship 129.

In charge of the meeting was First Mate Aldo Alberigi; Cockswain Clarence Parr, who discussed ship's lights; Boatswain Lawrence Christiansen, who talked on the compass and relative bearings; and Cockswain Donald Geddes, who spoke on different parts of a boat.

Both starboard and port crews were present at the meeting, which was under supervision of Skipper Mel Hansen. The group went through a Kelly drill, a marching formation, for the benefit of the visitors.

But even Sea Scouts put back to port occasionally. Friday, Ship No. 1 forgot their boats for a moment and celebrated Valentine's day in proper style by taking their girl friends roller skating near Burlingame. Nine couples were present.

## Classes

**C. S. F.**

Esther Hanel, Nancy Sorg, Enes Fambuccetti, Georgetta Braunagel, Joyce Yate, Louise Paroti, Banice Rattio, Linda Montgomery and Ed Hendrickson, were indeed a sight Friday as they were officially initiated into the C. S. F. Dressed in Grandad's woolens, dresses, hair-ribbons and grease-paint, they really were duly inducted into the arms of the honorary society.

After school closed at 3 p. m. the candidates were honored at a party.

**ASSEMBLY**

Yesterday, the students were honored by a timely speech given by Major Burdette Palmer, public relations director at Moffet Field. Major Palmer's subject was "National Defense in U. S. Army Air Corps."

**BLOCK "J"**

Last Friday the members of the Block "J" society elected this term officers.

Taking over as president was Edward Briseno, with vice-presidency filled by John Cacciapaglia and secretary's post by Dean Nelson.

The society plans various social activities for the present term and plans will be presented at the next regular meeting of the society.

**INTERCLASS BASEBALL**

Last week the interclass baseball members chose their captains for the coming season. Leading the class baseball players are: freshman, Bud Fellows; sophomores, Al Tuvo and Walt Cavagnaro; juniors, Jack Rainey; and seniors, George DeBono.

The boys have scheduled four more interclass games before they begin their regular league games.

**PUBLICITY MANAGER**

That ever popular George Wallace was appointed to the office of boys publicity manager, last week. The appointment was made by Coach Albert Biggs and John Razzari.

Wallace was chosen for his past experience and his interest in sports.

## Campus Fashions

Blue, blue and more blue is what the fashion experts are shouting. Navy blue, sailor blue, soldier blue, sky blue, and every other kind of blue that you have ever heard of, is in the fashion limelight.

So be in style, girls . . . get a navy blue skirt, with just a touch of swing to it, put a red belt around your waist and tuck a long sleeved white blouse inside your skirt. Top off this simple, yet up-to-the-minute costume, with a navy blue sailor hat, red purse, and gloves.

This costume is one of the smartest campus combinations yet.

A darling dress-up outfit is a navy blue crepe jumper ensemble. Fashioned with graceful, waistcoat lines, it has dainty oyster white embroidery peeping out from the round collar and short sleeves.

Sure to please is the navy dress with unpressed pleats in front and back. It is styled with a wide square collar of shirred white organdy, and finished off to a "T" with a small row of "rain drop" pearl buttons and a tiny collar of navy crepe.

Anyone of these dresses is just "it" for wear under your winter coats. In case the weather man happens to change his mind, throw a bright spring coat over them. Either way, in sunshine or in rain, they are the last work in fashion.

As long as we're speaking of blue, this week's fashion Miss was all decked out in a darling sky-blue dress. It had a tiny fringe of white around the three-quarter length sleeve and a white reversible collar.

Her hair was a pretty chestnut brown, with soft wave, and her eyes were light blue.

Although she is just a high junior, she managed to capture first place in the Lincoln essay contest. Of course, you know who I mean—none other than Georgette Braunagel.

When talking to Georgette, we found out she loves chocolate, hates to see girls with chipped fingernail polish. Geometry took first place as her favorite subject, and Gary Cooper and Irene Dunne received her vote for the best movie actor and actress.

So Georgette, to you we extend a big fashion bouquet made of "Chocolate Drops."

## Music

Jefferson's Music department added another gold link to its chain of successes, last night at the joint P. T. A. meeting.

The musical program was furnished by the brass quartet (Tom Beeson, first trumpet; Bob Seiler, second trumpet; James Parker, baritone; and Oscar Busch, trombone).

The group played "Die Freischutz" by Weber and "Choral" from the oratorio, "Elijah," by Mendelsohn.

Special feature on the program was the ever-popular "Mexicali Rose" played as a trumpet solo by Bob Seiler. Eugene McClain accompanied Seiler at the piano.

Next Tuesday, Lembi and his Indians of Rhythm will contribute their talent to the first Student Body assembly of the semester. An excellent program of songs, skits and features has been planned.

The hit of the afternoon will be an 'amateur hour' with all Jeff's talent participating. So—here's your chance, guys and gals, if you have any talent at all be sure to get in touch with Lembi, or any other member of his band.

There will be a small admission charge for non-student body card holders. Be sure you have your student body card, because this is one assembly you can't afford to miss.

## Student Government

A big "school spirit" week has been planned by the executive board. The date has been set for the week of March 3, and during this week all students will wear the traditional purple and gold colors.

The block "J" society has planned a big ballet with all the boys in the club participating. Moving pictures on sports, a dance and many other programs have also been planned to make this week one of the biggest of the semester.

The board was asked by Tillie Castro to get more students to turn out for assistant yell leader posts. President Razzari suggested that notices be put in the school paper, and he also said he would make several announcements in assemblies.

**Journey's End**

**When the steamship Edina, reputed to be the oldest passenger ship in the world, was making its final trip from Melbourne, Australia, Septimus Dandy, who for 20 years had been its quartermaster, stepped to the bridge to bid the captain farewell, collapsed and died in a few minutes.**

## Court Postpones Case Of Eng And Wong

Case of Eddie J. Eng and Tom Wong, San Francisco residents charged with the illegal sale of lottery tickets, was postponed one week in Judge Wade H. Clay's court on Friday. The men were arrested here a week ago Saturday, and released on bail.

Postponed for two weeks were reckless driving charges against Steve J. Pasadis, 1668 Market street, alleged driver of a car which injured a pedestrian, Fred J. Anderson, a week ago Saturday. Anderson is reported still only semi-conscious at the hospital.

**Netherlands Defensive Flooding**

**If the dykes in the Netherlands are open, defense flooding would damage the farm lands, and necessitate the evacuation of thousands of residents, but the water would not be sea water, it would be fresh water from the rivers, or the old Zuyder Zee, now called Ijssel lake. It would do no permanent harm.**
